

Hi Cindy

I just came back from my international Trip to Qatar last night. Please let me know if you need more details.

Here is a summary of my major activities during my visit to Qatar:

1. Tuesday (5/21): Meeting with Dr. Mohammad J. Al-khawajah and Dr. Mohamad Kharseh from the Mechanical Engineering Department (possible collaborators on the proposal)
2. Wednesday (5/22): Presentation to the Civil Engineering Department and Meeting with Dr. Hisha Eid (Professor of Geotechnical Engineering at Qatar University). (they took some pictures.. do you want to ask them to send me some?)
3. Thursday (5/23): Presentation to Mechanical Engineering Geothermal Research Team and Attend college of Engineering Research Day.
4. Friday/Saturday (weekend)
5. Sunday (5/26):
 - a. Meeting with Dr. Mohd. Al-khawajah and Dr. Mohd. Kharseh to discuss the major tasks of proposed research for the 7th cycle of NPRP (due November 2013)
 - b. Tour of the Civil Engineering Laboratories with Dr. Hisham Eid,
 - c. Discuss potential research ideas with Dr. Hisham Eid. The plan is to target the 8th cycle of the NPRP (due November 2014) for other research projects.
6. Monday (5/27):
 - a. Attending the monthly meeting of the ASHRAE-Qatar and participate in the presentation of Potential of Geothermal Energy of Air Conditioning and Electricity Generation. I have pictures (do you need some)
 - b. Leaving Qatar at midnight on Monday

Thank you
Muhannad
