Happy August from OISS! We are eagerly awaiting your arrival and preparing to make your transition to Lehigh as smooth as possible.

**A few reminders** if you have not already done the following action items:

1. The airport shuttle sign-up form is now closed. If you have an extenuating circumstance, please email intnl@lehigh.edu and we’ll do our best to assist you.
2. Complete the Prearrival Checklist in iHome.
3. Send a photo for your ID card to inideal@lehigh.edu. Do this well in advance of the day you travel to the US.
4. Complete all the health and immunization forms as soon as possible (they were due on July 15)

If you have confirmed that you’re taking one of the buses from JFK or Newark, you will be dropped off on-campus and be responsible for transportation or walking from campus to your place of residence. Those living on campus will be directed to check-in and then taken to their Residence Hall. Once you arrive in the U.S., make sure you complete the “**New Student Check In**” form in iHome.

Finally, please visit [this link](#) to find your International Orientation Schedule and a campus map. All sessions are mandatory. During Orientation, OISS strongly encourages you to wear a face mask in all indoor spaces to help limit the spread of COVID-19 and other diseases. Face masks are widely available at local pharmacies, and OISS staff will provide some at all orientation sessions.

If you have any questions, please do not hesitate to email us.

SEE YOU SOON!
