Iacocca Global Leadership Program for high school seniors

Craft your personal leadership vision in this mentor-rich, collaborative community of leaders from all continents.

July – November, 2020

Program Fee: $1700

This virtual program for international and U.S. high school seniors offers dynamic learning opportunities including workshops, design labs, team projects, immersive cultural experiences and an individual leadership growth project. Enrollment is limited in order to provide students with a high level of individual and group mentoring.

It begins with a virtual global entrepreneurship experience, July 13-17. You’ll spend the week creating an entrepreneurial project with a team of diverse peers, practice design thinking approaches and work together to explore solutions and develop your business model canvas and presentation. At the end, you’ll pitch your team’s idea to a panel of experts and get feedback on your plans.

It continues into the fall with virtual cultural and networking events and the StrengthsFinder leadership assessment, where you’ll learn your top five leadership strengths and develop your personal leadership growth plan. During the fall, you will develop and complete a Global Leadership Project, where you’ll work with mentors from around the world to design and complete a leadership project.

About the Iacocca Institute

The Iacocca Institute creates transformative, hands-on leadership experiences that challenge and empower the next generation of global leaders. Collectively, its programs have hosted participants from more than 150 countries. It is part of Lehigh University, recognized among the U.S.’s premier research universities and located in Bethlehem, Pennsylvania.

Are you ready to take the next step in your leadership journey? Register by June 22. For more information, please email Diana Shepherd: dqs206@lehigh.edu.
