## Dear Colleagues,

We are pleased to share this report on the university's international student community. The Office of International Students & Scholars (OISS) serves our rapidly growing international community of students and scholars. We track, report, and provide services for over 1434 enrolled and graduated international students.

This report serves as a statistical resource about our international students. Lehigh's international community includes degree seeking and non-degree seeking non-immigrant visa holders and exchange students.

This report does not include international scholars who serve as researchers, faculty members, or short-term lecturers at the university, nor does it include immigrants such as green card holders, asylees or refugees.

If you have any questions or concerns, please contact me at sad416@lehigh.edu.

Sincerely,

Samba Dieng Director, International Students & Scholars Office of International Affairs Lehigh University
